Tee Masters Annual to be Held at Soboba Springs

TOURNAMENT COMMITTEE 12/2021

Tee Masters had a long tradition of playing
its annual invitational golf tournament at the
Pala Mesa Resort in Fallbrook for many
years. We have always had great
tournaments, which have included large
turnouts, nice accommodations with lots of
fun between rounds. The Pala Mesa Resort
has experienced a change in management
and no longer able to provide the club with
the same affordable packages we have grown
accustomed to as well as increasing the
number of participants required to obtain
lower green fees per player.
So for 2022 and possibly in the years to
come, our annual tournament will be held at
the Soboba Springs Golf Resort and Casino
in San Jacinto, California, August 20th-21st.

As far as geographical differences between
the two, Soboba Springs is slightly closer
than Fallbrook and provides far more
amenities such as restaurants and nearby
restaurants, a casino on premises and much
better parking.

The golf course offers a large space for
clubhouse dining in or outdoors, and plenty
of space for adequate social distancing for
gatherings. The course offers a challenging
design yet easy to play with very few hills
and plenty of wide-open fairways. We look
forward to seeing everyone this year at our
annual tournament.

TEE MASTERS AND THE TRICLUB CLASSIC

Palm Springs, Westin Mission Hills

TERRY DAVIS-TOURNAMENT CHAIR

Tee Masters encourages its members to participate in the tournaments of our affiliate golf clubs. Several Tee Masters Members represented the club in proper colors for this two day tournament. A special thanks to Terry Davis, Steve Henry, Donald White, Virgil Swanier, Ron Ward, Christopher Devine, Lisa Collins, Ingrid Fields and Victor Jackson for the representation of the club and playing well. The TriClub Classic is played every year in December at the Westin Mission Hills Resort and Country Club. This resort has two courses, Pete Dye and Gary Player.

Beautiful Accommodations with Great Views and a Great Dinning Experience.

The Pete Dye Resort Course at the Westin Mission Hills first opened in 1987. One of the more tame Pete Dye designs in the portfolio, this Dye course is best described as "Potentially Diabolical, Yet Indescribably Playable."

Scenic Views and Plenty of Beautiful Water to Flirt with on this Course.

Player's design makes extensive use of water, with lakes coming into play on 10 holes. On the par-5 11th, water is reachable on all three shots before reaching the green. Three of the course's par-4s – the fifth, eighth and 12th – all feature water in some way.

The 11th is the toughest of the par-5s, though a golfer must also be careful on the third hole – which also has a lake in the fairway – and the 17th, with a lake near the green. Both nines end with demanding par-4s with water. The 18th requires a good drive over a lake to a fairway that doglegs to the right. This is a must play golf course.
